You get down and dirty and take matters into your own hands. I love Sonya and her steel attitude. She doesn't put up with nonsense from anyone. I hope she starts to take her Mom and best friend's advice.0 of 0 people found the following review helpful. Love this seriesBy Fishmom23I loved this series. I was very upset I didn't have a longer wait in the doctors office to read more but came home and finished it. Love Sonja and really hope her and Frank end up together they seem like a good match. I can't wait to find out who is haunting the cafe too. Very ready for the next book to come out!0 of 0 people found the following review helpful. Wanting #4By PPLUMMERThis third installment of the Diner of the Dead series was marvelous. The talent of the author to draw such h a vivid picture true is great. The in and outs of the mortals and spirits involved were well done and kept me asking "Is it real?" Sonya and her mother continue their somewhat strained relationship until Sonya realizes that, no matter the age, a girl. Needs her Mom and Mom needs her little girl. One lesson learned is the grass is not always greener, and another, "Frank-ly my dear... Please let #4 come soon. I see I HOP visits in the next few days.
